

Indigenous Gatherings

Weave 'n' Chat

6 weeks of West Coast Traditional Weaving

Mondays | September 16–October 28 | 12–3 p.m.

(no session on October 7)

This program provides Indigenous families with six sessions of making your own basket, learning several techniques. While giving you time to learn traditional weaving, there is always space for growth and to learn from one another. As these six sessions will allow connection and opportunities to gain an understanding of the Indigenous community around you.
