

NEWCOMER YOUTH for Real Representation

Are you a **newcomer youth**?

Do you want to change how **neighbourhood houses** represent youth in decision-making?

This is your opportunity to make your voice HEARD!

The Real Representation project supports newcomer and refugee youth (ages 13-24) in collectively exploring ideas and strategies to amplify their voices. The project shares feedback with decision-making groups about youth initiatives at neighbourhood houses.

Join us for **4 TRAINING SESSIONS** and **2 YOUTH-LED DIALOGUES** to take part in this exciting community project.

Commit to at least 3 training sessions and 1 dialogue to receive

\$10 GIFT CARDS and LETTERS OF REFERENCE.

Free snacks and bus tickets included!
