

# Increase your comfort level with current technology

Free Computer Literacy, Digital Skills and Internet Safety workshops.

Feeling isolated? Looking for new ways to connect and learn? Join the Digital Literacy Skills Program to explore the world of video-conferencing, online resources, and internet safety. Online workshops & one-to-one sessions available weekly!

Things you need to participate:

- internet/WiFi access
- smartphone, tablet, laptop or desktop computer (with microphone and camera)
- an email account
- conversational English
- patience and a sense of humour!

YMCA Digital Skills Literacy Program is available for free to anyone, including newcomers to Canada, seniors, youth, parents, adults and more.

To join an online workshop or set up a one-to-one appointment contact:
