

**THANK YOU
TO ALL OUR
VOLUNTEERS!**

You really are the spirit of Mount Pleasant Neighbourhood House!

Dear Volunteers,

During this uncertain time, when we cannot meet in our House, we want to say **thank you for radiating the MPNH spirit** from your own homes and in our neighbourhood!

You have been **shopping for seniors, contacting isolated residents, packing and delivering meals, and sharing your many skills online**, including ESL, meditation, and cooking.

You have worked tirelessly to bring the fun we have at our House into the homes of our neighbours—and **we will emerge as a stronger, more unified community** as a result.

If you haven't been able to volunteer due to COVID-19, please don't worry! Over the years, **your contributions to MPNH have been invaluable**, and you are welcome to rejoin our MPNH volunteer family whenever you are ready.

In the meantime, please know that **we are so thankful for everything you have all done** over the past year and beyond. Your spirit has become synonymous with the House itself and we so look forward to reuniting with you all again in our House.

Our busy mentorship programs, beautiful Chinese Choir group, and tasty community lunches are constant reminders of **all the good you do in our community**.

Our block parties, Winter Wonderland, and Lunar New Year celebrations have been **amazing opportunities to celebrate together** and share your gifts with our neighbours.

And we know that **you are carrying that amazing MPNH spirit with you** as you check on a family member, help an elderly neighbour, and smile and thank the delivery guy.

Each one of you has contributed to an amazing year, full of fantastic memories and positive ripple effects in the community - thank you!

Sincerely, from everyone at Mount Pleasant Neighbourhood House.
